

A collection of bicycle repair parts including cables, shifters, and bolts. The items are arranged on a brown, textured background. At the top left is a coiled silver cable with a yellow and grey geometric patterned label featuring the 'KALE' logo. To its right is a white plastic package for a cable shifter, also with a yellow and grey geometric pattern and the 'KALE' logo. Further right is a cluster of several silver metal bolts. At the bottom left is a coiled black cable with a white plastic shifter lever. At the bottom right is another coiled silver cable with a yellow and grey geometric patterned label, similar to the one at the top left.
