

A side-profile view of a blue Sidi cycling shoe. The shoe features a perforated upper for breathability, black accents on the heel and toe, and red accents on the sole. The Sidi logo is prominently displayed in white on the side. The shoe is equipped with black straps and buckles for secure fitting.

A pair of black and red Specialized S-Works road cycling shoes. The image shows two views: a side profile of the left shoe and a bottom view of the right shoe. The shoes are black with red accents, including the Specialized logo on the side and a red and white circular graphic on the bottom of the right shoe. The shoes have a sleek, aerodynamic design with perforations for ventilation.

A side profile of a blue and black Sidi cycling shoe. The shoe features a blue upper with white perforations for ventilation. It has black straps with silver-colored buckles for closure. The Sidi logo is printed in white on the side. The sole is black with a red accent at the heel.
